*The perfect backdrop to your Shropshire wedding day*

The Punchbowl Inn, one of Shropshire's most famous Country Pubs is located in the heart of the Shropshire Countryside just outside the picturesque market-town of Bridgnorth. Featuring the UK's first AGA Carvery serving direct from the hot-plate to your plate.

The Punch Bowl Inn is one of the regions most sought after wedding venues and has been catering for many types of private and corporate functions for more than 50 years since the Ludlow Suite was first built, originally for Weddings. We acquired The Punchbowl Inn in 2005 and we have since undergone a complete refurbishment programme giving The Punchbowl Inn a new lease of life, including stunning dual lake, Japanese style bridge, gazebo and private verandah with stunning views of the Shropshire Hills beyond – the perfect backdrop to your wedding day.

Today we have developed a strong reputation in the Midlands for our innovation, excellent cuisine and professional staff, achieving Wedding Venue Of The Year\* in 2016.

We are passionate about our fresh food and presentation, we believe the success of a wedding is in the planning and we will design you a fabulous wedding package that will have style of every element!

*"The perfect backdrop to your Shropshire wedding day"*

'Weds to be' tend to plan their whole day around their dream wedding location, while others start with a blank page. Either way, choosing your wedding venue is one of the most important wedding planning decisions you'll make. If you choose us, we want to ensure that you are reassured throughout. There are a vast amount of wedding venues that all offer something unique and we take pride in having the ability to cater for any type of wedding at all levels. Professional planning of your wedding and developing your bespoke programme is supported by our team. Being a family run business we will help you every step of the way to plan your wedding with us, or indeed host your Civil Ceremony ourselves.

The first thing to take into account when choosing a wedding location is that there are likely to be two parts of your wedding to organise – the wedding ceremony and the wedding reception. The reception must be planned around the ceremony location and we can help advise on local churches and other suitable venues for your ceremony.

May we take this opportunity to thank you for taking the time to view our wedding package, and we would be more than happy to show you our venue, testimonials, photography album and most importantly introduce ourselves.

We hope we exceed your expectations!

Kind regards,

*Adam, Charlotte and Chris*

- We operate a minimum of charge of forty adults (40) for any wedding breakfast as agreed in our wedding brochure followed by a buffet of your choice, you may want to upgrade a drinks package as we shall charge accordingly based on per adult. (If there are children, we will not charge within the agreed drinks package you choose). - If you would like a more informal wedding event and only want a buffet, we will allow this based on a world cuisine or hog roast buffet but you must opt for a duo or trio drinks package to coincide with this package (If there are children, we will not charge within the agreed drinks package you choose), these options work well for more relaxed weddings and the buffet depending on numbers could cater for the whole event based on the timings. For more information on this please speak to your events manager. Please be advised Linen charge would be applicable to this option.
- We allow external companies to provide a wedding cake and/or cupcakes at no extra charge as part of the package, should you decide to bring your own desserts station/dessert cart/ additional cakes a surcharge £250 would be applicable to any package you agree with the events team.

- Outside caterers, ice-cream vans or any other external company are not allowed on site as we do not allow outside catering. There are no exceptions to this policy.
- Photographers will adhere to our policies and we recommend they have a site meeting with us before the reception. Photographers cannot set up any form of equipment in our restaurant or lounge during any part of the event. We shall work with the photographers on time scales developed within your bespoke programme of the day. Photographers that ignore our terms and cause delay or breach Health & Safety regulations will be asked to leave the premises. Please refer to notes in this post consultation notes on the importance of the programme we agree.
- If you have chosen to get married on the premises, this option is something you have liaised with the Shropshire Registrar and therefore made commitments on timings, we will ask you in your consultation the time you have agreed to get married and work on a programme from that time schedule in your consultation, it is imperative that you stick to the agreed times with the registrar. Ye Olde Punchbowl Inn will accept no responsibility whatsoever for late arrivals. An additional fee is applicable for the planning and organising of the civil marriages on the premises, this fee does not cover any associated costs with Shropshire registrar.
- There are three appointed licensed areas within Ye Olde Punchbowl Inn, the first area is our external wedding gazebo and function room or patio area. The most favourable option will be the external gazebo, however in the event of extremely bad weather, it is the duty of the responsible person (Events manager on the day) to determine where the marriage will take place, as the registrar may refuse marriage in the external gazebo if the weather is deemed too bad, we would therefore make a decision to set up and the civil marriage in the main Ludlow Suite adjacent to the bar. Options are available for total exclusivity of the entire premises between 10am-5.30pm, an additional fee does apply to close this section off to the public if you want the option to get married in restaurant area making the Ludlow suite exclusive on bad weather. Please note this option must be booked far in advanced to guarantee this, and most importantly please acknowledge in the event of good weather no refund would be given as you have paid total exclusivity. A final decision for entire exclusivity must be committed in your consultation three months prior to the day, once you have committed to this, this option is not reversible as the public that would potentially use our restaurant are informed of private closure for the lunchtime of your wedding.
- Within the costs we agree to set up the function room with the stationary and designs/themes within reasonable timings, and we allow two events managers 3 hours to set up, if there is an excessive amount of decorations to dress the tables and Ludlow suite a further £200 fee will be applicable, most clients opt for companies that hire decorations and stationary, they usually set up their own decorations and stationary within their associated costings.
- The hire charge for the function rooms will vary on certain days of the week, this hire charge is for exclusive use of our main function room (known as the Ludlow Suite) terrace area adjacent to main function room and gated garden area, within this cost you can access the dual lake for photography at no extra charge. The hire charge does not include the use of the wedding gazebo nor exclusivity of the restaurant area. Additional charges apply getting married on the premises and requesting total exclusivity. Please refer to your events manager if in doubt, prices for this will be accurately printed on yearly tariffs within brochures year on year.
- On completion of your consultation you will be provided with an indemnity release contract to gain access to the dual lake area, this contract must be signed and handed to your events manager on or before paying your final balance. If no contract is signed, we cannot allow you access to this area of the premises.
- WE RESERVE THE RIGHT TO UPDATE OUR TERMS AND CONDITIONS AT ANY POINT UP UNTIL YOUR CONSULTATION.
