Home of England's Official & First 'Live' AGA Carvery

We are proud to cook and prepare our Award-Winning carvery using our state of the art 'Total Control' AGA cooker in the restaurant; this concept is so unique we are the first ever restaurant to create this dining experience.

Our lunchtime carvery consists of three meat joints and selection of seasonal vegetables including our garlic potatoes, cauliflower cheese, Homemade Yorkshire pudding and finally traditional stock gravy all cooked on our AGA and served from the carvery

Homemade pie of the day with served with creamy mashed potato, seasonal vegetables.

~
