## **Getting Married at The Punch Bowl**

More than just a place to celebrate, The Punch Bowl Inn is licensed for civil ceremonies, allowing your entire wedding day to unfold seamlessly in one beautiful setting.

From the quiet anticipation before your vows to the celebrations that follow, every moment can be shared in surroundings designed to feel effortless and refined.

To begin your journey, you'll need to make an initial booking with the registrar. We recommend doing this as early as possible, as ceremony times are subject to availability and help shape the rhythm of your day. Securing your preferred time early allows you to plan the rest of your celebration with ease and confidence.

At this stage, the registrar will ask you to provisionally reserve your chosen venue. Once this is done with us, we will gently hold your preferred date for seven days without requiring a deposit, unless otherwise agreed giving you the freedom to finalise details without pressure.

When your ceremony date and time have been confirmed with the registrar, a deposit will be required to secure your booking with us. Our events Manager will guide you through this process, ensuring everything feels clear, considered, and entirely stress-free.

Please note that all registrar arrangements and fees are handled directly between you and the registrar. As an approved venue, we are simply advised of your confirmed ceremony time and will take care of everything on our side to ensure your day unfolds beautifully.

For further information, including registrar contact details, please visit the Shropshire Council website [www.shropshirecelebrations.co.uk/ceremonies/marriage-and-civil-partnership/](http://www.shropshirecelebrations.co.uk/ceremonies/marriage-and-civil-partnership/)

### **Getting Married on Our Premises** **Available all year round**

For couples who dream of a ceremony that feels intimate, personal, and effortlessly beautiful, The Punch Bowl Inn offers a setting that blends timeless elegance with the tranquillity of the Shropshire countryside. From your vows to the first celebration toast, your day can unfold entirely in one location

---

### **The Garden Gazebo**

Imagine exchanging your vows surrounded by the gentle whispers of the countryside, with the sun casting a warm glow over the rolling hills. Our Garden Gazebo provides a romantic outdoor space for a spring or summer civil ceremony, seating up to 80 guests, with additional standing space available for larger parties.

After the ceremony, guests can make their way to the terrace, where sweeping views create a striking backdrop for a relaxed drinks reception. It's a perfect moment to celebrate your first toast together as a married couple, against a panorama of natural beauty.

---

### **Indoor Ceremony**

For smaller, more intimate celebrations, our indoor Ludlow Suite provides a beautifully versatile space. The suite can be divided with our elegant wedding curtain, allowing the room to serve both as a ceremony and reception area, creating a seamless flow for your day.

Please note, for legal reasons set by the local council registrars, the Ludlow Suite bar must remain closed prior to the ceremony. However, the restaurant bar and outdoor bar (weather permitting) remain available beforehand, allowing your guests to enjoy a relaxed pre-ceremony drink

---

### **Civil Ceremony Fees & Exclusivity**

All weddings held with us include a hire fee for the Ludlow Suite and gardens, ensuring access to our stunning spaces even if your ceremony takes place elsewhere.

For civil ceremonies hosted on our premises, a hire fee applies, which includes planning and coordination to ensure every detail is seamlessly managed. If your ceremony is taking place at another approved venue, this fee is not required.

For couples seeking complete privacy, we offer total exclusivity between 11am and 4pm. During this time, our restaurant is closed to the public, giving you and your guests the venue entirely to yourselves. Exclusivity starts from £2,500 on top of venue hire fee and can be extended for evening arrangements if desired.

This option is ideal for those wishing to marry indoors in a more intimate setting without using the main Ludlow Suite, allowing your day to feel fully bespoke, private, and effortlessly luxurious.
