

Memorial Gatherings

At The Punch Bowl, we understand that this is a deeply personal and difficult time. Our aim is to provide a warm, calm, and respectful setting where family and friends can come together to remember and celebrate a loved one's life.

We offer private use of our function room for your gathering, allowing you and your guests the space and privacy you need, with no room hire charge so there is one less thing to worry about on the day.

If family or friends ask how they can help, many choose to contribute by bringing cakes or biscuits to share. This can help ease costs and add a personal touch, often turning a sombre occasion into a meaningful celebration of life.
